

## **INSTRUCTIONS FOR DEALING WITH COVID-19 FOR AT OUR DRIVING EXPERIENCE DATES**

- Please note that we can currently only allow one accompanying person to accompany you.
- Accompanying persons wait on the pit roof during the drive.
- Please keep a distance of at least 1.5 metres to strangers.
- Keep hand hygiene (wash your hands with soap and water).
- Observe sneezing and coughing etiquette (e.g. coughing, sneezing into the crook of your elbow)
- Mandatory mouth and nose protection (also in the vehicle while driving)
- Disinfection stations at different locations (entry & exit + registration)
- With every driver and co-driver change, the usable areas of the vehicles are disinfected by our staff.
- Please bring your own helmet - if this is not possible, individually packed shower caps are available on site, with which the multiple use of helmets is permitted - Attention: balaclava does not protect the helmet against bacteria and viruses
