LOCATION

Strategically favorable location in South-West Germany in the Rhine-Neckar metropolitan region.

Excellently linked to the freeway junctions A5, A6 und A61 and federal roads.

Direct connection to the airports in Stuttgart and Frankfurt Rhein-Main.

Arrival by train to Hockenheim, ICE train station Mannheim in approx. 30 min.

Clearly visible signage to the race track in close range and large parking spaces at the locations

EXTERIOR VIEW

The pit building is located between the pitlane and paddock #2, next to paddock #1, Sachshaus, congress pavilion and Baden-Wuerttemberg-Centre.

It is the perfect location for events taking place on the race track and the paddock areas.

On the ground floor, it offers 14 triple pit units, 1 double pit unit and 1 single pit unit. Most of the pits can be connected among each other in order to provide coherent, larger spaces.

- ground floor – pit facilities
- top floor – pit roof
