TOUR-FACTS

INSIDER TOUR

Experience the Hockenheimring up close! In addition to visiting the VIP area of the South Grandstand, you will also explore the paddock including the pit area and Race Control. Take the opportunity for a souvenir selfie on the winner's podium and become a true insider.

TRACK TOUR

Explore the Grand Prix circuit in your own car! After visiting the South Grandstand, take your vehicle onto the track for the next part of the tour. The guide will make various stops on track, to explain the special features of each section.

E-KART TOUR / PREMIUM

Electric on the road! On this exciting mix of a guided tour of the race track and karting, you change your perspective from a mere observer to an active racing driver. After starting the tour with a VIP overview of the Grand Prix course, take to the track as an e-kart driver.

All tours start at the Welcome Center at the Main Grandstand.
