WELCOME TO THE 39TH NITROLYMPX

Astronomical acceleration forces, metre-high exhaust flames, incredible reaction times and the potential for records!

From 21 to 23 August, the fastest motorsport in the world comes to the Motodrom. Drag racing is pure acceleration along the Rico Anthes Quartermile. Cars and bikes thunder down the track in pursuit of records. The highlight is the Top Fuelers, which make the Motodrom shake with over 10,000 horsepower.

You have to experience it to understand it!

All information about the race series, directions & parking, camping and everything else related to the event:
www.nitrolympx.de/en/

Night show – legendary!
The highlight on Saturday evening with action-packed stunts, spectacular show runs and nitro-fuelled entertainment.
